

THREE MORE REASONS WHY: THE WHOLE WORLD'S GOING CRAZY

REASON ONE: THE NEXT INQUISITION AGAINST THE JEWS AND THEY DIDN'T EVEN SHOW UP

It is Black Friday, June 13, and two of the world's most hideous monsters meet in Rome. They are Wermacht volunteer, pope Benedict XVI, and George Bush Jr., grandson of Adolph Hitler's number one American financier, Prescott Bush.

The irony was not lost on the war pope. He had already chosen his name in emulation of Benedict XV, the pope of World War One. Instead of meeting in the papal office, the holy see had a new location for the secretive *tête-à-tête*, The Tower Of St. John. There, they spoke of peace in the Holy Land, without forgetting globalization and world starvation.

Benedict loved the Tower. It was his office from 1995-02 when he was Head of the Office For The Doctrine Of Faith, or in actual fact for a millennia he would be called, Chief Torturer Of The Inquisition.

Nothing about this meeting was accidental: not the date, not the new location. Only one thing was missing; in a meeting between a Nazi pope and the progeny of the Nazis' most enthusiastic American supporter, there to discuss "peace" in Israel, in the office of the Chief Of The Inquisition, who in America or Israel even knew the meeting took place?

Mucho loco!

VATICAN CITY (Reuters) - Pope Benedict gave George W. Bush an unprecedented welcome in the tranquility of the Vatican Gardens on Friday before the U.S. president resumed his campaign to rally European support for sanctions against Iran.

Under tight security, Bush was driven from the bustle of Rome into the idyllic setting. As birds chirped, the two entered a restored medieval tower and held 30 minutes of private talks.

"Such an honor, such an honor," Bush said to the pope.

A Vatican statement said the two discussed the "defense of fundamental moral values" as well as the Middle East and a commitment to peace in the Holy Land, globalization, and the world food crisis.

The office of Cardinal Bertone -- The secretary of state to the Vatican -- is located in Torre di San Giovanni - The Tower of St. John - - where Pope Benedict meets President Bush.

Cardinal Bertone served from 1995 to 2002 as secretary of the Congregation for the Doctrine of the Faith, where he was deputy to then-Cardinal Joseph Ratzinger.... now Pope Benedict

But yesterday the Vatican was seething at rumors that there was much more to it than protocol: George Bush, lifelong Methodist, was about to convert.

Cardinal Pio Laghi, the papal envoy to the White House, said: "Bush believes in the values of the Church and his brother is a convert."

REASON TWO: THE MURDERER RETURNS TO HIS ALMA MATER

In 1995, Bar Ilan University was used by the Shabak to gather anti-Oslo agitators and ultimately, to murder Yitzhak Rabin. The head agitator was law student Yigal Amir. He directed numerous students to the phony seminars led by his handler Avishai Raviv. Once Rabin was knocked off, Amir framed Bar Ilan law student Margalit Har Shefi into prison, and Bar Ilan student Yitzhak Newman died mysteriously in a murder the Shabak called suicide. If you want the whole litany of crimes against Bar Ilan U, order my book Who Murdered Yitzhak Rabin from me. By November 1995, Bar Ilan U was known as the assassination capital of Israeli academia.

Except, as is now well known in Israel, President Shimon Peres and Shabak chief Carmi Gillion, set up Bar Ilan U to take the rap for Rabin's murder. A recent poll shows that only 47% of the Israeli public respects their President. Much of the rest knows he rubbed out Rabin.

So what does Bar Ilan U do? It gives Peres, its attempted executioner, a Lifetime Achievement award. Bar Ilan U is crazy. Crazy, Crazy, Crazy, Crazy, crazy.

Jerusalem - The symbolic significance of Israeli President Shimon Peres receiving a Lifetime Achievement award this past week from Bar-Ilan University was not lost on the hundreds of attendees at the elegant ceremony.

Here was Shimon Peres, who epitomizes the secular, dovish element of society, being honored by - and in turn praising - the only university in the country that requires both Jewish and secular studies for all of its students and that is still perceived by many as right-wing Orthodox in orientation, perhaps because it is the alma mater of Yigal Amir, the assassin of Prime Minister Yitzchak Rabin.

REASON THREE: THE MAN ON THE RIGHT IS FROM THE LEFT

It was in July 1994 that the late assassinated rabbi Binyamin Kahane, son of the late assassinated rabbi Meir Kahane, told me why he quit his father's organization, Kach. He said, "It got to the point that I couldn't tell the agents from the members." In November, 1995 Kach agent Avishai Raviv set up his stoolie Yigal Amir to be the patsy for the Rabin murder. Among Raviv's helper-agents was Itamar Ben Gvir, who organized phony media events for Amir's phony radical organization, Eyal. Go to the articles section of my web site for a complete list of Kach/Shabak operations headed by Ben Gvir, including the wrecking of any opposition to the Gush Katif forced evacuation.

Other Kach/Shabak operations made victims of innocent members like Baruch Goldstein, for his frameup of the Feb. '94 Hebron massacre, and Natan Eden-Zada, who, as I accurately predicted in Gush Katif a week before it happened, slaughtered Arab innocents in Shfaram just prior to the inevitable pullout of 10,000 Jews from their homes. Zada spent in 2 months in an IDF prison before suddenly spending 3 weeks AWOL from the army in a "pro-Kahane" compound before he was mesmerized enough to go through with his murders.

Just as worrisome is Kach member Avigdor Eskin's choosing of women suffering from multiple personality disorder to further brainwashing and fooling into fulfilling Shabak operations against religious Jews. Two of his "successes" include Tatiana Suskin, who sat in prison for two years after distributing pictures of Mohamed as a pig one Shabbat in Hebron, and Larissa Trimbobler, who left her family and four children, though residing in the same house, to "marry" Yigal Amir. The prison services agreed with the operation and allowed or missed, Amir impregnating Trimbobler.

And in America, an organization called Bnai Elim plasters its web site with pictures of Meir Kahane, but on the last page of its blog, is an ad to join the secret services.

These guys aren't crazy...we are.

philosophical occasionally, but the core is very real. I outline practical, desperate steps needed to oust the ruling establishment and replace it with a government determined to save the state from ruination.
